This is in response to the request for additional information as requested in the FEC letter dated January 17, 2012 for the February Monthly Report 1/1/2011-1/31/2011.

In response to Finding 1: MCRPs original report did not include a Schedule H1. This was due to an error with our reporting software and has since been corrected. A schedule H1 was included with the amendment.

In response to Finding 2: MCRP was asked to clarify if Reimbursements for Fundraising were made towards a specific federal candidate. All of the Reimbursements for Fundraising was not made on behalf of specifically identified candidates. A note has been included on the amendment.
